Dear Jim:

A project on technology trends which could affect the US or Soviet military for the rest of this century is being carried out at my request and sponsored by the R&D and Intelligence Communities. A Steering Group for the project composed of

\_\_\_\_\_ was formed and held its first meeting on 16 November. During that meeting the need for a top level person in the energy field became evident and the Steering Group unanimously requested I ask you to name John Deutch as a member of the group.

Therefore, I request that you let John join the Steering Group of this very important project.

[redacted] the project director, tells me he has discussed the details of the project with John, who would like to take part.

Yours,

/s/ Stansfield Turner
